

# Introduction and purpose of this Privacy Notice

We ("Luport Games", "We", "Us") are committed to protecting personal data concerning you, and respecting your privacy.

Luport Games has adopted this privacy policy ("Privacy Policy") to explain how We collect, store, and uses the information collected in connection with Our Services.

When you use our products and services, or mobile apps, We will process certain personal data that concerns you. 'Process' or 'processing' as used in this Privacy Notice includes any operation performed on personal data or on sets of personal data, like collection, storage, organisation, retrieval, updating, amending, deletion, consultation, use, sharing or making available internally or to others.

By installing, using, registering to or otherwise accessing the services, you agree to this privacy policy and give an explicit and informed consent to the processing of your personal data in accordance with this privacy policy. If you do not agree to this privacy policy, please do not install, use, register to or otherwise access the services. Luport Games reserves the right to modify this Privacy Policy at reasonable times, so please review it frequently.

If Luport Games makes material or significant changes to this Privacy Policy, We may post a notice on our website along with the updated Privacy Policy. We encourage users to frequently consult the privacy policy.

This Website and App Users Website Privacy Notice ("Privacy Notice") sets out details of the processing We carry out, the purpose of the processing, the legal basis for the processing, our legal obligations as controller, and your rights in relation to that processing.

## Non-personally identifiable information

We may collect information about the user's non-personally identifiable information when they are concerned about our services.

The information includes but is not limited to: device type, brand and model, Android operating system version, unique device identifier, location, and country.

## Personal Data

Luport Games may collect personal data only for purposes of analyzing usage of the Services, providing customer and technical support, managing and providing Services and to further develop the Services and other services and products.

Luport Games may combine non-personal data with personal data.

## Permissions that may use sensitive information

WRITE\_EXTERNAL\_STORAGE

We use this permission to save game information.

## **Information use**

Luport Games collects and uses non-personal information for the following purposes:

- The information provided by the user to help us with the support needs, and the customer response service request is more efficient.
- We can use information to summarize the services We use as a community for our users and provide resources for our services.
- In addition, users of personal information will provide other activities that will allow us to send messages to them, among other things, new product features, enhancements, special offers, upgrade opportunities, races and their interests. Users can also send e-mails to us by uninstalling our services later, or simply exit these communications.
- Product Improvement. We use data to continually improve our products, including adding new features or capabilities.

## **Share your personal information**

We will not sell, trade or rent the user personally identifiable information to others. The only exception is that the law enforcement agency or similar organization needs to be in criminal investigation circumstances, may expose the user or our legal personal information to prevent fraud or criminal activity, infringement of intellectual property or other illegal activities.

To improve our product and provide you better service, We also share personal data with vendors or agents working on our behalf for the purposes described in this privacy policy. For example, companies We've hired to provide data analytical services may need collect and access to personal data to provide those functions. In such cases, these companies must abide by our data privacy and security requirements.

## **Children's Data**

Our Services are designed and provided to users of various age groups. We will not collect personal data from any users who are under the age of 13. If parents or legal guardians suspect that their children, under the age of 13, have provided us with personal data inadvertently, they may request such personal data be removed by contacting us at [luport.games@gmail.com](mailto:luport.games@gmail.com). Users who are between 13 and 18 years old (or the relevant age defined as a minor in the respective jurisdiction) should seek the consent of their parents or legal guardians before using our Services.

## **Safeguards**

Luport Games follows generally accepted industry standards and maintains reasonable safeguards to attempt to ensure the security, integrity and privacy of the information in our possession. Only those persons with a need to process your personal data in connection with the fulfillment of their tasks in accordance with the purposes of this Privacy Policy and for the purposes of performing technical maintenance, have access to your personal data in our possession.

Personal data collected by Luport Games is stored in secure operating environments that are not available to the public. To prevent unauthorized on-line access to personal

data, We maintains personal data behind a firewall-protected server.

However, no system can be 100% secure and there is the possibility that despite our reasonable efforts, there could be unauthorized access to your personal data. By using the Services, you assume this risk.

## Your Rights

Subject to limitations in applicable law, you are entitled to object to or request the restriction of processing of your Personal Data, and to request access to, rectification, erasure and portability of your own Personal Data.

Where the use of your information is based on consent, you can withdraw this consent at any time without affecting the lawfulness of processing based on consent before its withdrawal.

Requests should be submitted by contacting us through [luport.games@gmail.com](mailto:luport.games@gmail.com).

If you are aware of changes or inaccuracies in your information, you should inform us of such changes so that our records may be updated or corrected. You may lodge a complaint with a supervisory authority if you consider that our processing of your Personal Data infringes applicable law.

## Third Party Terms and Conditions

We currently work with the following advertising networks and analytics companies:
